

Kentucky Association of Hospice and Palliative Care

21st Annual Conference and Symposium

The Pursuit of Excellence: Transforming End of Life Care through Innovation and Strategy

August 22-23, 2019

Marriott Griffin Gate
Lexington, Kentucky

CONFERENCE OVERVIEW

In the healthcare industry, change is imminent and unavoidable. Hospices must face the challenge of constant change in order to pursue excellence. The 2019 KAHPC conference will address much of the change we see today in the industry. The conference will cover a full range of engaging topics and speakers. The goal of the conference is to provide insight and tools to help attendees keep pace with what is going on in and around the industry.

Cherry Meier will open the conference this year. Cherry is known in the hospice community for her work in the advancement of hospice in the long-term care setting. She has worked with the National Hospice and Palliative Care Organization (NHPCO) as Long-Term Care Manager and was responsible for providing operational guidance for the integration of hospice into the nursing home.

Judi Lund-Person will be our Thursday afternoon plenary speaker. Judy will present "A View from Washington". Judi is the Vice President of Regulatory and Compliance for NHPCO. Judi will share with us the latest and greatest from the regulatory front.

Throughout the day on Thursday, attendees will be able to engage with colleagues to learn from topics covering clinical, management/regulatory, psychosocial/spiritual, palliative care, and a 5th track on volunteers.

Friday morning the conference will open at 8am with breakout sessions in various tracks. Our Friday morning plenary speaker will be Tom Gualtieri-Reed. Tom has presented extensively on a range of palliative care business planning and program development topics at national and regional conferences and has co-authored several publications on payer-provider partnerships.

Dr. Lynn McPherson will be our Friday closing plenary speaker. Dr. McPherson has maintained a practice in both hospice (local and national) and ambulatory care her entire career. Dr. McPherson teaches extensively in the Doctor of Pharmacy program at the University of Maryland School of Pharmacy in Baltimore on pain management and end of life care, including didactic and experiential content.

CONTINUING EDUCATION OFFERED*:

Nursing

The Kentucky Board of Nursing has approved contact hours as follows: KBN# 4-0123-1220-0047, 6.0 contact hours for Thursday, August 22, 2019 and KBN# 4-0123-1220-0048, 6.0 contact hours for Friday, August 23, 2019. Kentucky Board of Nursing approval of an individual continuing education provider does not constitute endorsement of program content. To receive contact hours participants must bring their nursing license number, attend the entire day, and evaluate the offering.

Social Work

Hosparus Health is approved by the Kentucky Board of Social Work to sponsor continuing education for credential holders (KBSWSP 2019018). Hosparus Health maintains responsibility for this program and its content. Contact hours for Social Workers are approved as follows: 6.0 contact hours for Thursday, August 22, 2019 and 6.0 contact hours for Friday, August 23, 2019. To receive contact hours participants must bring their social work license number, attend the entire day, and evaluate the offering.

LEARNING OBJECTIVES

After completing this conference, participants will be able to:

- Apply modern strategies to maintain successful palliative care and hospice programs
- Utilize effective clinical interventions to provide better patient care experiences
- Recognize the ever-changing healthcare environment from the regulatory perspective
- Choose valuable psychosocial and spiritual care techniques and strategies to improve end of life outcomes

FEATURED PRESENTERS

Judi Lund-Person, BA, MPH, CHC is the Vice President, of Regulatory and Compliance for the National Hospice and Palliative Care Organization. Judi serves as a key contact with the Centers for Medicare and Medicaid Services, interfacing with hospice payment policy, Part D, survey and certification, contractor management, and program integrity functions, among others. She also represents hospice and palliative care with the Medicare Administrative Contractors and other federal agencies and many national organizations. Recent issues include advocating for changes in the Notice of Election filing and payment process, advocating for new guidance regarding Part D and hospice, and ongoing work with the Medicare Administrative Contractors on hospice payment policy issues.

She works daily with hospice providers and state hospice organizations on the ever-increasing array of regulatory and compliance issues and translates complex regulatory language into actionable “plain English” for hospice providers. She works with her team at NHPCO to develop regulatory and compliance tools for hospice providers each year, including hospice payment rates and wage index values and compliance guides to assist providers in achieving compliance with various federal rules and regulations.

Tom Gualtieri-Reed, MBA is a partner with Spragens & Gualtieri-Reed. He has more than 25 years of experience in the health care field, working in business operations, strategic development, and analytics, and has done extensive work with both provider and payer organizations. Mr. Gualtieri-Reed works directly with hospitals, physicians, and health care organizations to develop and implement strategic and business plans, including care delivery redesign, population health, and palliative care programs designed to improve the effective delivery of care. In 2018 Mr. Gualtieri-Reed served as facilitator for the National Consensus Project (NCP) Stakeholder Strategic Directions Summit to develop the 4th edition of the NCP Clinical Practice Guidelines for Quality Palliative Care. He has a specific interest in addressing the needs of the aging population and those with serious illness. Previously, Mr. Gualtieri-Reed held leadership positions at Blue Cross and Blue Shield of North Carolina, Duke University Health System, Kaiser Permanente of North Carolina, and the University of Massachusetts Medical Center. Mr. Gualtieri-Reed earned his MBA from Duke’s Fuqua School of Business and his BA in economics from the College of the Holy Cross.

Mr. Gualtieri-Reed has presented extensively on a range of palliative care business planning and program development topics at national and regional conferences and has co-authored several publications on payer-provider partnerships.

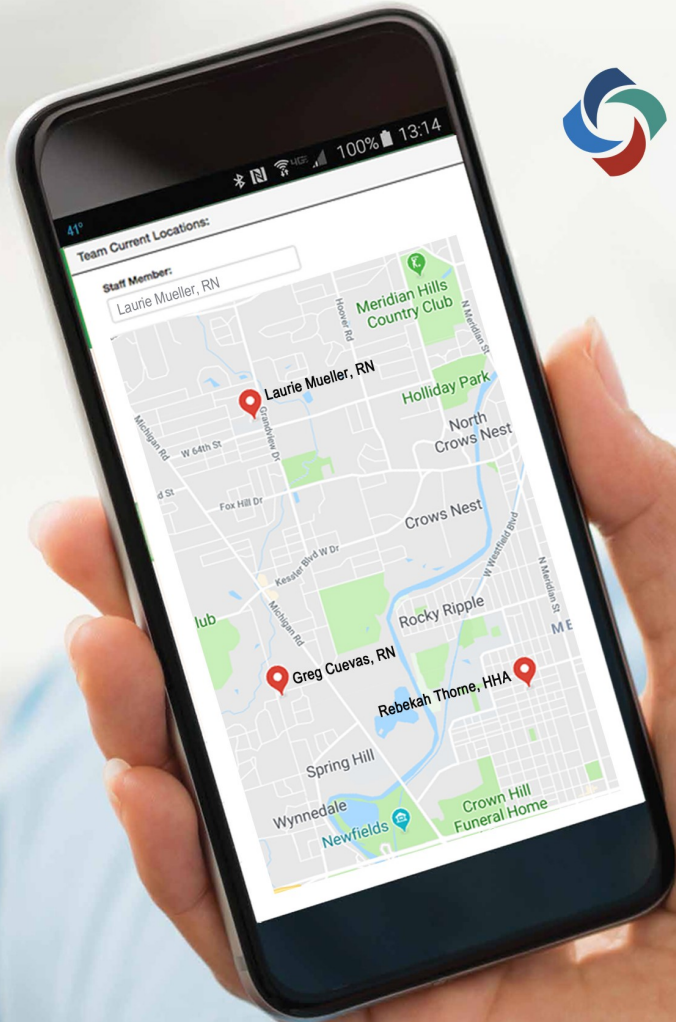

Mary Lynn McPherson, PharmD, MA, MDE, BCPS, CPE is Professor and Executive Director, Advanced Post-Graduate Education in Palliative Care, and Vice Chair, Teaching Development and Enhancement in the Department of Pharmacy Practice and Science at the University of Maryland School of Pharmacy in Baltimore. Dr. McPherson has maintained a practice in both hospice (local and national) and ambulatory care her entire career. Dr. McPherson teaches extensively in the Doctor of Pharmacy curriculum on pain management and end of life care, including didactic and experiential content. She has created and serves as the Executive Director of the Online Master of Science and Graduate Certificate Program in Palliative Care through the University of Maryland Baltimore. She has authored five books including the very popular “Demystifying Opioid Conversion Calculations: A Guide to Effective Dosing.”

Cherry Meier, RN, MSN, LNHA has a master's degree in nursing from Texas Women's University and licensed as a nursing home administrator in Texas. She has been working in hospice since the passage of the Hospice Benefit in 1982 and employed by VITAS since 1989 in various roles. Her current title is Vice President of Nursing Facility Partnerships.

Cherry is known in the hospice community for her work in the advancement of hospice in the long-term care setting. She worked with the National Hospice and Palliative Care Organization as Long Term Care Manager and was responsible for providing operational guidance for the integration of hospice into the nursing home. She has worked with nursing home associations and the Centers for Medicare and Medicaid Services as language was developed for the partnership. Cherry also participated on the expert panel in developing the Minimum Data 3.0 version.

2019 Jurisdiction M (JM) Hospice Medicare Workshop Series - Tools for Medicare Success

Palmetto GBA is pleased to announce our 2019 Hospice Workshop Series, Tools for Medicare Success. These workshops are designed for hospice providers and their staff to equip them with the tools they need to be successful with Medicare billing, coverage and documentation requirements.

These workshops will provide insight for hospice agency staff at all levels; however, we suggest that providers who are new to Medicare or have new staff attend online learning courses for beginners offered at www.PalmettoGBA.com/hhh. Basic billing and other online educational resources can be found in the Self-Paced Learning section by selecting the Learning and Education link under the Browse Topics option at the top of the page. During the workshop series, Palmetto GBA will provide information related to the most common errors identified through a variety of data analysis and some hints and tips on the reasons why these errors occur. Palmetto GBA's ultimate goal is to have educated and astute providers who know how to accurately and skillfully apply the information they learn to their documentation and billing practices.

The following topics will be covered during the workshop:

Part I:

1. Utilization
 - a. Length of Stay
 - b. Medicare Spending
2. Improper Payments
3. Continuous Home Care
4. Effective Documentation of Certification of Terminal Illness
5. Documentation for the End Stage Renal Patient

Part II:

1. What You Need to Know for 2019
 - a. 2019 Final Rule
 - b. Targeted Probe and Educate (TPE)
 - c. Medicare Beneficiary Identifier (MBI) Updates
 - d. Improvements in Hospice Billing and Claims Processing
2. Data Driven Topics
 - a. Election Statement Requirements
 - b. Hospice Transfers
3. eServices Online Portal
4. Reminders
 - a. CERT Program
 - b. Provider Enrollment Revalidation
5. Provider Resources/Self Service Tools
 - a. Palmetto GBA Resources
 - b. CMS Resources
 - c. Top Links
 - d. Social Media
 - e. Education/Events
